Private medical childcare service

We provide experienced staff (English on request) who master baby care and allow you to take care of your nights with complete peace of mind.

Looking after your baby at night or during the day allows you to rest, even if you are breastfeeding.

Our all-female staff is sensitive to postpartum and will be a support for young mothers.

ALLIANCE

The quality service is subject to all regulatory hygiene rules.

Our staff will take care of your comfort by giving baths, meals and awakening according to the age of your child by offering adapted activities, games, walks...

And also help with falling asleep;

Are an integral part of this service.

We are available 24 hours a day, 7 days a week

Our childcare service allows you to contact us at any time for a solution for caring for infants and young children (0 to 5 years old) by a professional.
